

# Become a UniversityGo! Ambassador

As a UniversityGO! Ambassador you will be an essential part of the UniversityGO! programme. Meeting students aged 11-14 in schools. You will mentor a student you are matched with for a full academic year and support them to raise their career aspirations. All students on the UniversityGO! programme are in local authority care.

You must be able to commit to meet your mentee for the full academic year and you will be supported to plan and deliver your own 1:1 sessions and liaise with your designated school. The sessions can work around your current commitments.

\*In the current climate, mentoring may initially take place virtually with plans to shift to physical, in-school mentoring when this is possible.\*

## Skills and Experience

- You will need to be friendly, enthusiastic, dependable and reliable.
- Experience with working in schools or with this age group is desirable but not essential.
- Previous mentoring or outreach experience is also desirable.

## Location

In schools across Coventry and Warwickshire and also virtually in the current COVID climate. Travel costs are reimbursed.

## Hourly Pay

£8.98

All successful applicants will be required to register with UniTemps (based at Warwick University) prior to the training.

**Interview Date:** Week commencing 12th October 2020. Interviews will take place via MS Teams (link to be sent to those offered an interview).

**Start Date:** Following training in late October (date TBC) and necessary checks with UniTemps, your introductory session with your young person will be scheduled via Teams.
